**DO YOU HAVE AN OLD  
PUSH MOWER IN YOUR  
GARDEN SHED THAT  
YOU NO LONGER  
USE???**

We are fortunate enough to have Murray mow our lawn for us — which is greatly appreciated.

Unfortunately he has to lug his own mower and weed eater down each time.

Having a mower on site would make the job easier.

Please let us know in the office if you are able to help. Thanks Raewynne
